

Process Engineering Company

A Division of Wettikin Electronics, LLC

4506 West 12th Street

Erie, PA 16505

Phone: 412-561-0770

E-Mail: peco@processengineering.com

PC&S

Transformers - Power & Switchboard

Meters (Analog & Digital)

Controllers - Meter Relays - Protector

Relays

Transducers - CT's & Shunts

King Gage

Liquid Level Transmitters, DP

Transmitters

Tank Level Indicators

Process Control Integration

Air Control Stations, Coalescing Air Filters

ENM

Counting Instruments

Hour Meters

Gems Sensors/Warrick Controls

Level Switches: Float & Conductivity

SAFE-PAK Relays & MSHA Approved

Relays

Sure-Site Level Indicators

Flow & Pressure Transducers

MDI

Mercury Contactors & Timers

Mechanical & Mercury Float Switches

JMS Southeast Inc

Thermo-couples & RTDs

Thermowells & Protection Tubes

Transmitters & Wire

Thermo-Couple Products

Thermocouples & RTD's

Thermowells & Protection Tubes

Temperature Controllers

ATC

Timers, Counters, Lights & Relays

Tachometer Generators

Programmable Relays

PID & Temperature Controllers

Marsh Bellofram

I/P & E/P Transducers

General Purpose & Precision Air

Regulators

Process & Liquid Filled Pressure Gauges

Thermometers & Wells

Shimpo

Contact & Non-Contact Tachometers

Force Gauges

Torque Gauges

WIKA

Pressure Gauges

Chemical Seals & Isolators

Transmitters: Pressure & Temperature

Thermometers: Bimetal, Glass & Vapor

Monarch Instruments

Stroboscopes / Tachometer

Track-It Indicating Pressure / Temp

Logger

Paperless Recorders
